## Logix House Parking & Access Plan

(Available on website & BBL Operatives manual)

Benning Brothers' office, Logix House, was designed to make sure that it meets the needs of any staff and guests with disabilities.

Approaching and entering:

- Disabled parking spaces available, if in use then staff spaces can be made available by prior arrangement. (These are located close to our entrance)
- Premises easy to find with clear signage, refer to location plan above.
- Easy access DDA compliant doors. We also have a magnetic device to hold door open.
- Dropped kerbs for wheelchair and mobility devices for ease of access.

Moving around:

- Doormats are flush with the finish floor level.
- All access ways and corridors free from obstruction.
- Handrails on both sides of the main stair riser for partially impaired disability.
- Effective fire alarm system (procedure in place) & adequate signage.
- No lift available
- Full disabled needs can be met on ground floor.
